FROM THE PRINCIPAL'S DESK

Ms. Sapna Walecha
Principal

“Leadership is about nurturing & enhancing future leaders.”

I am thrilled to extend a warm welcome to each member of our school community through this newsletter. As the new principal, I am honored to join this vibrant and inclusive educational environment. Together, we embark on a journey of growth, learning, and collaboration. I am committed to fostering a culture of excellence, support, and innovation. Your dedication and enthusiasm are the foundation of our collective success. Let us work hand in hand to create a nurturing and inspiring educational experience for all. I look forward to our shared achievements and the positive impact we will make together.

ACADEMIC FRONT

WELCOME & ORIENTATION

VALUE SYSTEM AT PSIS

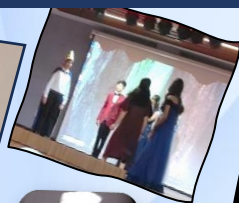

Values shape the environment and experiences within the school, influencing everything from curriculum development to student behaviour policies. Values are often reflected in the mission statement, policies, teaching methods, and everyday interactions of PSIS. They aim to create a supportive and nurturing environment that prepares students not only academically but also as responsible and ethical members of society.

STAGE EXPOSURE

Through school plays, music recitals, public speaking events, or talent shows, PSIS provides numerous benefits that contribute to a child's personal growth and confidence.

FUN TIME BEGINS... EXCURSIONS

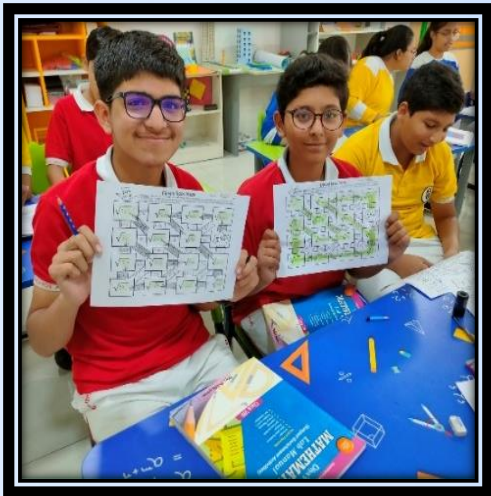

PICNIC TIME

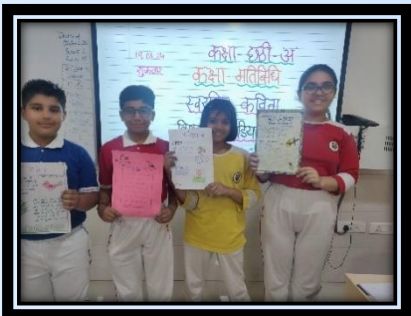

To provide students with enriching, hands-on learning experiences outside the classroom, PSIS organised excursions for all the students to provide a break from routine, making learning enjoyable and memorable, while also developing students' independence and critical thinking skills.

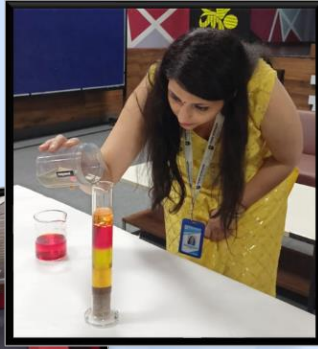

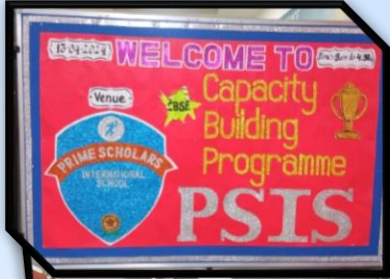

EXPERIENTIAL LEARNING

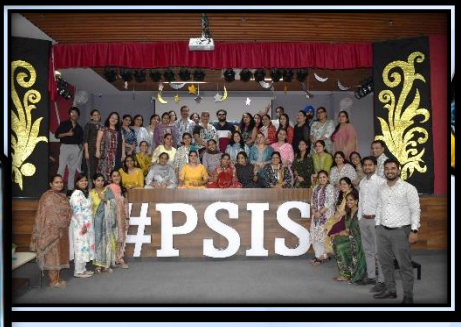

Experiential learning enriches the educational experience, making it more dynamic, relevant, and impactful. PSIS prepares students not just for exams, but for life beyond the classroom.

EDUCATORS' CONCLAVE

S

Educators' trainings play a vital role in enhancing the quality of education and fostering professional growth among educators. PSIS empowers teachers with the knowledge, skills, and support needed to provide high-quality education and create a positive learning environment for their students.
